

GRS Identification Report including ORIGIN *if determinable*

Gemstones will be preliminarily priced based on the information provided by the Client. GRS pricing is subject to change after GRS testing. The color and/or description of the Gemstone on an invoice/receipt does not, in any manner whatsoever, represent GRS's opinion, assessment or conclusion regarding the Gemstone and are only for GRS's reference purposes. GRS reserves the right to adjust this price list at any time.
